# 🎅 Christmas 2023

## **Capture Memories**

2023 has been a challenging year with unexpected twists and turns. Use this Christmas to create lasting memories with loved ones when we gather for this special occasion. Memories are priceless and will keep our spirits positive as we head into the new year.

# ***Christmas Scent***

Warm & Comforting

## ***Inspiration***

Open the holiday scene with earthy tones of rich brown and vibrant green taking centre stage, harmonising beautifully with the comforting scent of **Christmas Fruitcake**, with the inviting addition of the Green Metallic Jar.

# **Christmas Scent**

Warm & Comforting

## **Christmas Eve Fragrance**

Perfect for making festive candles that illuminate the magic of the holiday season. This fragrance brings to mind the excitement of children waiting for Santa, the joy of reuniting with loved ones, and the glow of holiday lights.

**Top Notes:** Fir Needle, Tangelo, Spearmint

**Middle Notes:** Cedar, White Florals

**Base Notes:** Musk, White Tea Wood

# Do-It-Yourself Christmas Gifts

## DIY Kits

DIY kits provide an opportunity to craft personalised gifts and decorate your home.

*"It isn't the size of the gift that matters, but the size of the heart that gives it"*

- Eileen Elias Freeman

# ***Candle Making Kit***

## ***Inspiration***

Create a holiday scene where the soft glow of handmade candles fills the room, and the air is infused with the comforting scent of your own creation.

Choose fragrance oils with festive scents like Christmas Fruit Cake, Candy Cane, Christmas Eve, Tinsel White Christmas, and Gingerbread.

# ***Cheeseboard Kit***

## ***Inspiration***

Resin art cheeseboards are a unique and beautiful gift perfect for the holidays. They can be customised to match any décor and make a great conversation piece at any party.

# ***Resin Jewellery Kit***

## ***Inspiration***

This Christmas, go beyond conventional gifts and embrace the joy of giving handmade treasures.

Use your resin art skills to create personalised, one-of-a-kind jewellery like earrings and necklaces for those special people in your life.

# ***Pillar Candle Kit***

## ***Inspiration***

Pillar candles are a beautiful and elegant way to add to a table setting, they are fun to create too! Or gift a loved one the experience of making their very own pillar candles.

# ***Baby Hands & Feet***

## ***Inspiration***

Celebrate the joy of Christmas by capturing the precious moments of your little ones early years.

Use festive colours, glitter, and embellishments to make your castings sparkle. Frame them, display them in a shadow box, grandparents will love this memorable gift!

# ***Soap Making Kit***

## ***Inspiration***

Create your own festive and fragrant soaps with this easy-to-use kit!

This kit is perfect for beginners and experienced soap makers. It's also a great activity to do with the family. Get creative and have fun making your own unique Christmas soaps with different fragrance oils!

Thank you for letting us be a part of your festive celebrations with our 2023  
Christmas collection.

Merry Christmas and Happy New Year!
